

MOS36SUB MINIMAL OPENING SUBWOOFER

As part of our smallest yet largest feat so far, the Minimal Opening Subwoofer complements our Minimal Opening System™, the revolutionary fully in-ceiling audio system that mimics the appearance of 4" designer lighting.

Customized to match the unique appearance of home lighting, the custom finish blends seamlessly into the ceiling alongside lights for a sophisticated uniform look.

REVOLUTIONARY
PRE-CONSTRUCTION
MOUNTING

PREMIUM CHOICE
TRIM-RINGS

Enhancing the range of sound created by the original MOS36K Minimal Opening System by Origin, this Minimal Opening Subwoofer delivers amazing deep bass within the most restrictive environments.

Uniquely engineered to grant a simple installation process, built-in rails secure the subwoofer enclosure into the ceiling, with the exact dimensions to ensure a tight fit between ceiling joists.

The included Trim-Ring kit includes 6 different designs, offering the latest, invisible flushmount trim-ring options, and both round & square grilles, allowing the ideal trim to be selected to match any interior.
