

3" DIRECTOR SERIES

**SMALL APERTURE.
HUGE SOUND.**

The increasing popularity of smaller recessed light openings has created a huge demand for speakers that “line up” with ceiling lighting.

Designed with architects and interior designers in mind, the Minimal Opening 3" Series aesthetically matches high-end 4" can lights. Delivering even under the meticulous constraints of the interior design community, they leave the smallest visible imprint, whether the lights are square or round, without compromising sound quality.

**CLEAN
POWERFUL BASS**

Paired with our matching 3" aperture in-ceiling sub and DSP3-150 Amplifier, looking good had never sounded better.
